RE: CV12-03237-EJD

Dear Clerk of the Court,

I filed paperwork with the Court (Docket 1001). This filing had an "attachment" which was part of a Request for Judicial Notice. It appears that the "attachment" does not show up on PACER. Please find attached my date-stamped filing, and which includes the attachment still attached to the filing. Thank you for scanning/filing the attachment on PACER. I submitted an extra copy of my pleading, which also had the attachment, and for that reason I believe that Hon. Judge Davila probably has the attachment.

Thank you.
